INDIAN GEOPHYSICAL UNION

(REGISTRATION No. 26 of 1964)

Formation:

The Indian Geophysical Union (IGU) was formed by circulating a letter signed by fifteen leading geophysicists of the country in the year 1963. The response to this was encouraging and about sixty geophysicists responded to this invitation. These geophysicists who enrolled themselves as Members of the Union were styled as Foundation Fellows.

The Indian Geophysical Union was formally inaugurated by Prof. Humayun Kabir, the then Minister for Cultural Affairs and Scientific Research (Govt. of India) in the year 1963, at a pleasant function organized in the Geology Department, Osmania University. Dr. D.S. Reddy, the then Vice-Chancellor, Osmania University, presided over the function. Dr. S. Bhagavantam, the then Scientific Adviser to Defence Minister welcomed the guests. Dr. K.R. Ramanathan, first President of the Union, delivered the Presidential address. Dr. M.S. Krishnan explained the aims and objectives of the Union and presented the draft constitution, which was revised in 1964, it was marginally amended in 1998. Some additional information is provided in the present updated version.

Dr. K.R. Ramanathan, Director, Physical Research Laboratory, Ahmedabad and a past President of the International Union of Geodesy and Geophysics, was unanimously elected as President of the Union. The first Executive Committee was also formed with Dr. K.R. Ramanathan, Dr. M.S. Krishnan, Dr. S. Bhagavantam, Dr. P.K. Bhattacharya, Sri L.N. Kailasam, Dr. Hari Narain, Sri M.B. Ramachandra Rao, Dr. B.S.R. Rao and Dr. S. Balakrishna. The Union, thus, blessed by eminent geophysicists of India has made good impetus with the active encouragement given by the Vice-Chancellor of the Osmania University, Dr. D.S. Reddy and Sri P.V.G. Raju, the then Minister for Education, Government of Andhra Pradesh.

The Union adopted its constitution framed by a Sub-Committee consisting of Dr. M.S. Krishnan, Dr. K.R. Ramanathan and Dr. S. Balakrishna and the Union was registered on 11th March 1964.

MEMORANDUM OF ASSOCIATION

1. The name of the Union shall be the “Indian Geophysical Union”
2. The headquarters of the Union shall be at Hyderabad: for the present it will be housed at NGRI, Hyderabad-500007
3. The aims and objectives of the Union:
 - i) To bring together all geophysicists active in various disciplines such as seismology, magnetism, meteorology, geodesy, volcanology, oceanography, hydrology and tectonophysics and to provide them with opportunities for meeting and discussing current problems of geophysics of solid earth and the oceans. To enhance the importance of IGU, Atmosphere and Planetary Sciences have been added with effect from 1970.
 - ii) To encourage the study of and research in geophysical problems and to provide media for publication of the results.
 - iii) To organize and arrange for the meetings and conferences of the Union and encourage the publication and dissemination of knowledge of geophysics and of important researches in various branches of geophysics.
 - iv) To cooperate with similar learned societies in organizing and taking part in meetings, symposia, research projects, etc., and to represent geophysics both in the national and international sphere.
 - v) To secure and administer funds, grants and endowments for the furtherance of and research in geophysics.
 - vi) To undertake and execute all other acts, which shall assist and promote the usefulness, aims and purposes of the Union.

RULES & BYE-LAWS

MEMBERSHIP

The membership of the Union shall comprise:

I. Fellows

Persons who have a minimum of eight years of professional experience (research, teaching or field investigation) in Geophysics shall be eligible for Fellowship, provided at least 3 years of this have been spent in a responsible position. Those who are engaged in allied fields such as Geology, Geochemistry, Geochronology and Mineral Technology will also be eligible. Those who are associated with Marine Geosciences, Atmosphere, Space and Planetary Sciences are also eligible. The possession of a Doctorate Degree from a recognized university or an institution in India or abroad in the above subjects shall be considered as equivalent to three years experience. The Executive Committee shall every year consider the names of members who are suitable in their opinion for being elected as Fellows. Other persons who have rendered important service to the cause of the Earth System Sciences and who are considered by the Committee as suitable for Fellowship can also be admitted.

II. Members

Persons who are graduates or otherwise qualified and experienced in Geophysics, Physics, Geology, Mineral Technology and Engineering and who are deemed by the Executive Committee of the Union to be suitable may be elected as Members. The Committee may also admit to membership persons, who have contributed in some way to the advancement of Earth System Sciences.

A candidate for membership shall be proposed and seconded by not less than 2 Fellows of the Union of whom the proposer shall submit a letter giving full details of the qualifications and experience of the person being proposed. The proposal may be sent at any time to the Hon. Secretary but the selection will take place only at the Annual Meeting. The qualifications of the person proposed for membership shall be examined by the Committee, before selection.

III. Foreign Fellows

Geophysicists who are nationals of other countries and who have made important contributions in the field of Earth System Sciences may be elected by the Executive Committee as Foreign Fellows of the Union. The number of members selected in any year shall not exceed three and the total number of Foreign Fellows shall not exceed 30.

IV. Honorary Fellows

Citizens of India who have a distinguished record of work in the Earth Sciences may be recommended by the Executive Committee for election as Honorary Fellows. The number elected in any one year shall not be more than two, and the total number shall not exceed 20 at any time.

LIFE MEMBERSHIP

The Executive Committee shall be empowered to confer life membership on members who have paid the composition fees prescribed, therefore, in a lumpsum; in the case of those who have been paying annual subscription, a reduction will be made in the Life Composition fee in accordance with the rules which will be drawn by the Executive Committee. Fellows/Members who have been in good standing in these capacities for 35 years and attained the age of 65 will be exempted from paying further dues and will be treated as non-paying Fellows/Members. They shall have all the privileges of Fellows/Members. This procedure has been modified, since 1997. In place of annual subscription, a one time lumpsum payment of Rs.1000/- has been introduced. Rejection of any application/nomination is done by the President, if he is convinced that giving membership to the individual is detrimental to the welfare of IGU. The rejection of a name in any one year by the President or General Body (GB) shall not be a bar to its being considered in the second and third year, but not more than three years in succession. A new nomination of rejected name shall not be entertained until one full year has passed after the first term of three years. The selected names after approval by the Executive Committee shall be placed before the General Body at the annual general meeting for its ratification.

Every Member and Fellow shall, on admission, pay an admission fee of Rs.500/-. The annual subscription for both the classes of membership can be raised at any future date if the situation necessitates the rise. Honorary Fellows do not pay subscription; they shall not have voting rights at any of the meetings of the Society but shall have all other privileges. Subscriptions for each year fall due on 1st January of that year. Taking into consideration the necessity to strengthen the financial structure of IGU two times the entry fee has been increased. The increase from Rs. 500/- to Rs.1000/- has been introduced from 1995. Simultaneously it was decided not to have yearly subscription. Those who are otherwise qualified and paid a lumpsum of Rs. 1000/- have been taken as life members. The second increase was made in 2011. In place of Rs. 1000/- it was decided that new Members /Fellows enrolling with effect from January 2012 shall pay Rs. 5000/- to become a life member. The selected Fellows, as per norms fixed by the Union, should also pay Rs.5000/-.

A Member/Fellow may compound for all future annual subscriptions by payment of a lumpsum of Rs.5,000/-, which may be paid within one year of election in one or two installments.

I. Removal

A Member/Fellow may be removed by a majority vote of three-fourths of the members of the Committee present and voting for reasons considered by them valid. The member/fellow shall have the right to appeal to the Union within 6 weeks of notification of removal of his name. The appeal shall be considered at an extra-ordinary general body meeting and shall be decided by a two-thirds majority of members present through voting.

II. Resignations

Any member can resign. However, the resignation shall be notified to the Hon. Secretary through a letter and he in turn, taking the approval of the President, shall intimate the member about the decision within 15 days from the receipt of resignation letter. If a member who has resigned wishes to be reinstated, the Committee may readmit him if he pays the membership fee of Rs. 5000/-.

MEETINGS

A meeting of the General Body may be convened by the Hon. Secretary on the orders of the President, or in consultation with him, or at the written request of any three members of the Executive Committee. Any ten members may also jointly send request, in writing, to the Hon. Secretary to convene a meeting for considering any specific business, which shall be recorded in their request. At all General Meetings it should be competent for the General Body to consider amendments to the constitution bye-laws and regulations, provided notice has been given at least three weeks before a meeting so that they could be circulated to all the members. At all meetings of the General Body except those called for special purposes, Scientific Sessions may be held for reading and discussion of papers. An extraordinary General Meeting may be followed immediately by an Ordinary General Meeting.

The Annual General Meeting shall be held on any suitable date decided on by the Committee between 15th December and 31st March following. Notice of all the meetings and of the agenda shall be circulated by the Hon. Secretary to all the members at least two weeks before the meeting.

All questions put to vote except those specially provided for in the constitution or bye-laws shall be decided by a simple majority of those present through voting. The quorum for Committee meetings shall be one-third of the total number of office bearers or four whichever is less. The quorum for the General Body Meeting shall be fifteen.

Matters relating to the articles of constitution, membership dues, number of office bearers, budget for the ensuing year and appointment of an auditor and such important things as decided by the Committee can be changed only by a majority of two-thirds of the votes received through postal ballot but the voted so recorded shall not be less than half the total Fellows/ Members eligible for voting. If the requisite number have not voted, a new vote will have to be taken at which two-thirds majority of the actual votes received shall decide the issue.

Scientific meetings may also be held at such other times, as may be decided by the Committee.

EXECUTIVE COMMITTEE

The Executive Committee shall meet at least three times during a year. At the meeting before the Annual General Meetings it shall decide matters relating to the election of membership of all classes and also pass the Annual Report and Accounts.

The Executive Committee shall elect Fellows, Foreign Fellows and Honorary Fellows. The names of the persons so elected shall be announced at the Annual General Meeting for needed ratification.

DUTIES OF OFFICE BEARERS

I. Officers

The Office bearers of the Union for the time being shall consist of a President, two Vice-Presidents, one Hon. Secretary, one Treasurer and six members. The number of office-bearers may be increased by the General Body of the Union on the recommendation of the Executive Committee, subject to a maximum of 12 members exclusive of the President, Vice-Presidents, Hon. Secretary, Joint Secretary, Organising Secretary and Treasurer. The number of Vice-Presidents may be increased to a maximum of four at a future date, if deemed necessary. The number has been increased to four since 2001.

II. President

The President shall be the Chairman of the Executive Committee and shall preside over all the meetings of the Union and of the Committee. He may appoint such committees as may be required for the purposes of Union with the approval of the Executive Committee and shall be empowered to delegate powers to the Vice-Presidents or to any members of the Committee. The President when he presides at a meeting or committee, or the Chairman of any meeting or committee, shall have a casting vote if there is a tie in voting. To ensure continuity of the IGU activities, the outgoing President would be an ex-officio member of the incoming EC.

III. Vice-Presidents

The Senior Vice-President shall preside over the meeting of the Union or of the Committee in the absence of the President and he shall exercise such special powers as may be delegated to him by the President or by the

Executive Committee. If during the year, the President ceases to function because of resignation, illness or death, the senior Vice-President shall automatically take his place, until the next annual elections.

A vacancy occurring in the office of the Vice-President shall be filled by a member of the Executive Committee elected by the other members of the Committee at the next meeting.

IV. Hon. Secretary

The Hon. Secretary shall be the Chief Executive Officer of the Union and shall perform all the duties usually attached to such office and assume such powers as are vested in him by the President or the Executive Committee. The Hon. Secretary shall perform the duties of the Treasurer if no separate Treasurer is elected. The Hon. Secretary shall be the official representative of the Union for legal purposes. To ensure continuity of the IGU activities, the outgoing Hon. Secretary would be an ex-officio member of the incoming EC

The Hon. Secretary shall notify the persons concerned of their election to any class of membership. He shall issue notices of all meetings together with the agenda of business to be transacted. He shall maintain lists of all classes of members, with relevant particulars and shall keep the Treasurer informed about resignation, death etc. He shall submit an Annual Report to the Committee. He shall be the head of the office of the Union and shall supervise the work of such of the staff as may be appointed from time to time.

V. Joint Secretary

He shall assist the Hon. Secretary in his work and shall exercise the powers of the Hon. Secretary during the Hon. Secretary's absence.

VI. Organising Secretary

A provision has been made since 2003, getting the approval of General Body, to have one Organising Secretary to share the responsibility of the Hon. Secretary in organising various meetings, workshops and annual conventions. The selected person has to be from the Headquarters of the IGU and his responsibilities/ duties should not interfere with those of Joint Secretary.

VII. Treasurer

The Treasurer shall be in charge of all the financial affairs of the Society under the general supervision of the Executive Committee and the Hon. Secretary. He shall keep accounts of all the money received and disbursed in accordance with the accepted procedures. All the financial transactions shall be conducted for and on behalf of the Union. He shall present summarized accounts of the assets, liabilities and financial transactions of the Union to the Committee for presentation at the annual meeting of the Union. The accounts shall be audited by two fellows, preferably members of the Committee nominated by the President, or by an auditor appointed for the purpose by the Committee. Since 1988, the accounts are invariably audited by a recognized Chartered Accountant.

VIII. Advisor

President can nominate not more than two senior scientists, 65 years and above, who have not less than 10 years of experience as part of the IGU management to provide needed guidance to the Hon. Secretary and advice to the President, as and when needed. It is not an elected post. Hon. Secretary shall invite them, as Special Invitees, to all important meetings including Executive Committee

Executive Committee elected by the eligible members/fellows will provide needed support to the President and Hon. Secretary in carrying out activities of the union. As in the case of other office bearers they shall have two years tenure.

TENURE OF OFFICE BEARERS

The above office bearers shall hold office for a period of two years. After the first two years of the life of the union, half the ordinary members of the Committee shall retire and be replaced by newly elected members. In the case of Vice-Presidents also, half the number shall retire every year. The other half (Vice-President and members of the Committee) shall retire at the end of their second year of office and replaced by newly elected persons. Thus, each person who is a Vice-President or Member of Committee will hold office for two years. To overcome some administrative problems, it has been

decided in 1987 by the GB to discontinue the procedure of retiring half the number of committee members. All the elected members of the committee shall assume the office on 1st of April and leave the office at the end of two years. In an exceptional case with the approval of GB, a committee's term can be extended by a maximum period of one additional year.

The above rule shall not apply to the Hon. Secretary and to the Treasurer who may continue for several years with the approval of the Committee and the General Body. At least four of the office bearers shall be residents at the headquarters of the Union.

Any vacancy arising in the ordinary membership of Committee during the middle of a year shall be filled by the President from amongst the Fellows of the Union until the next annual election.

ELECTIONS

For the election of new office bearers, nominations may be sent by any Member/Fellow in good standing to the Hon. Secretary on or before the 31st December of election year. The elected committee shall hold the Office on 1st April of subsequent year (eg. if the term of a committee is from 1st April 1993 to 31st March 1995, the election procedure will be initiated by the end of 1994 and the elected committee will come to the office by 1st April 1995). The persons nominated as well as those proposed by the members of the Committee shall be considered by the Executive Committee and its recommendations shall be circulated in a voting paper to all the members. The voting shall be by postal ballot and the votes shall be counted at the annual meeting by two or more scrutineers nominated by the President. The voting papers may be sent to the Hon. Secretary by post or handed over to him in person. It has been decided during the General Body of 2002 that the nominations received from the good standing Members/Fellows of the IGU, after screening by a sub-committee constituted by the President will take into consideration representation to all the segments, namely, Research Institutes, Government Offices, Industries and Universities. In this process at least two Vice-Presidents and six members, who received more number of nominations should invariably be

included in the executive committee. The rest of two Vice-Presidents and six members will be selected by the outgoing President to provide representation to all the categories of organisations. The Committee shall submit the list of approved names to the General Body at the Annual General Meeting for its ratification.

QUORUM

The Quorum for Committee meetings shall be one-third of the total number of office bearers or five whichever is less. The quorum for the General Body Meeting shall be fifteen.

FUNDS

The President may appoint a Finance Committee to advise the Union regarding the acquisition, disposal and proper disposition of the property and assets of the Union.

The funds shall be spent only for the attainment of the objects of the Union and no portion thereof shall be paid or transferred directly or indirectly to any of its members/fellows except as honoraria properly sanctioned.

Life Membership fees shall be treated as capital and shall be suitably invested for the benefit of the Union. Donations and bequests shall be disposed of in accordance with the conditions attached thereto and in a beneficial manner. The Committee may utilize special funds for specific purposes and allot part of the annual revenues to any donations or bequests specifically received for them. The Committee will also decide on the mode of disposal of such funds.

No member of the Union will be entitled to any share in the estate, income or assets of the Union, nor will the Union distribute any dividend, bonus or gift in money to any member, provided that nothing in this clause is construed as preventing payment of a reasonable monetary honorarium or compensation for services rendered to the Union by any member or members/fellows or the distribution of the publications or souvenirs of the Union free to the members/fellows.

The Committee shall decide on purchase and sale of security and stock with a view to benefit the Union in general. For the acquisition, transfer and sale of immovable property, the General Body will be the

authority to decide, by a two-thirds majority of those present and voting at a general meeting. Any gift proposed to be made by the Union to another organization or individuals in pursuance of the Union's objectives can be decided by the Committee, subject to ratification by a simple majority at a General Body meeting.

ACCOUNTS

Accounts of the society shall be maintained regularly. The accounts shall be audited by an auditor every year.

AMENDMENTS

Amendments to rules may be brought up for consideration at any Annual General meeting or at any Extraordinary General meeting. No amendment or alteration shall be made unless it is voted by 2/3 of members present at the meeting and confirmed by 2/3 of the members present at a second special meeting.

The Union shall be a non-profit-making organization working for the furtherance of geophysics. It may, however, acquire property, invest funds and manage its assets so as to secure income for the common good for the Union as a whole and also maintain a paid staff for managing its affairs, including laboratory, library and other legitimate activities. Its members may not receive any salary or bonus but may be paid honoraria for services rendered.

Fellows of the Union are entitled to use the letters F.I.G.U. after their names to indicate their Fellowship in the Union. Members of the Union are entitled to use the letters M.I.G.U. after their names to indicate their Membership in the Union.

SEAL

The Union shall have a seal in which shall be inscribed its name and the year of founding, i.e., 1963. All official documents relating to this Union shall bear this seal. The seal shall be in the custody of the Hon. Secretary.

PATRONS

Persons who make a substantial donation or endowment to the Union shall be, on the recommendation of the Executive Committee, be nominated as PATRON for life.

BUSINESS YEAR

The business year of the Union shall be the calendar year i.e., from 1st January to 31st December.

PUBLICATIONS

The Union may publish special papers, monographs, bulletins, proceedings of symposia, etc. The Executive Committee will decide the policy regarding their distribution to members/fellows, whether free or at a price to be fixed.

Papers for reading at a meeting of the Union and publication thereafter should be sent to the Hon. Secretary in proper forms as soft copy and carefully illustrated. Papers accepted by the Union will be formally read and discussed at a meeting and will be published after peer review. Authors will be supplied copies of the reprints at cost price. Owing to the high cost of blocks only a limited number of illustrations (which will be decided by the Editor) will be acceptable.

COMMITTEES

The President or the Executive Committee may appoint such short term or long term committees as may be necessary to consider and report upon various aspects of the Union's work such as publications, nominations, conduct of symposia, cooperation with other bodies, etc.

OBLIGATION BOOK

Soon after election, each Fellow/Member is required to sign in a book signifying his/her adherence to the objectives, rules and regulations of the Union. This book shall be a permanent record of Membership of the Union.

WINDING UP

If the Union is to be dissolved, its property and assets may be disposed of by gift to another organization, provided a two-third of the legitimate members and fellows agree to such a proposal through written communication. Hon. Secretary shall ensure that all the members and fellows receive the contents of the proposal at least 30 days before taking final decision by convening an extra-ordinary general body meeting. In such a case the beneficiary should be an organization or institution engaged in the furtherance of Geophysics, Geology, Mineral Technology and allied subjects and not any individual.

AWARDS

KRISHNAN MEDAL (INSTITUTED IN 1964)

The Indian Geophysical Union had instituted KRISHNAN MEDAL to be awarded each year to an outstanding geophysicist/geologist whose age does not exceed 40 years (on 1st January of the year) and for his outstanding work in specific branches of geophysics/geology and related geosciences. Nominations each year are called from the members of the Executive Committee, past recipients of the medal and past Presidents for the award of KRISHNAN MEDAL and constitute an Expert Committee to make the selection for each year. The medallist is presented the award at the annual meeting. Nominations, along with the bio-data, accompanied by 4 copies of the reprints of 3 important publications of the candidates should be sent to the Hon. Secretary, Indian Geophysical Union, by 31st July, of the year. From 1993 Gold Medal is awarded to the recipient

DECENNIAL AWARD (INSTITUTED IN 1975)

The Indian Geophysical Union annually awards Decennial Award to a scientist, an outstanding senior geophysicist who has established a school of geophysics in India with indigeneous resources and talent. From 1993 the recipient is presented with a Gold Medal.

PRINCE MUKARRAM JAH ENDOWMENT LECTURE

Under this endowment lecture instituted in 1964, the Indian Geophysical Union invites an eminent earth scientist to deliver a special lecture on a topic of current scientific interest to earth sciences. From 1993 the invited scientist is presented with a Gold Medal.

DR. S. BALAKRISHNA MEMORIAL PRIZE

Instituted in 1987, this prize is to be awarded to a young postgraduate who proved himself/herself to have a promise of building up a career in earth sciences. The Award is given to a candidate who stands first in the branch of earth sciences in the joint CSIR/UGC Junior Fellowship Examination conducted every year.

SILVER JUBILEE AWARD

This was instituted as a one time award to honour Col. S.P. Wahi for his significant support to IGU.

PROF. K.R. RAMANATHAN MEMORIAL LECTURE

Instituted in 1993, the IGU invites eminent earth/atmospheric scientist to deliver a special lecture on a topic of current scientific interest. The invited scientist is presented with a Gold Medal.

PROF. JAGDEO SINGH MEMORIAL GRANT

In memory of Prof. Jagdeo Singh, past students of Indian School of Mines (ISM) contributed a fixed amount. IGU contributed a matching grant and deposited in the bank as fixed deposit. The interest accrued from it has been utilized to provide travel support to Geophysics students from different universities, who topped in the prefinal exams, to participate in the annual conventions of IGU. This grant was made in 1995. From 2004, to encourage more number of students participation, IGU provided enhanced grant to ensure participation of 2 to 3 meritorious students from each university, recommended by respective Heads of the Geophysics/Earth Science Departments.

DR. H.N. SIDDIQUIE MEMORIAL LECTURE

IGU instituted Dr. H.N. Siddiquie Memorial Lecture in 2001, utilising the grant provided by NIO. The Indian Geophysical Union invites every year an eminent Marine Geoscientist to deliver a special lecture on a topic of current scientific interest. The invited speaker is presented with a Gold Medal.

Sri L.N. KAILASAM MEMORIAL LECTURE

Sri L.N. Kailasam Memorial Lecture award was instituted in 2005, utilising the grant provided by his family. The Indian Geophysical Union invites every year an eminent earth scientist to the annual convention to deliver a special lecture on Environmental Geosciences / Exploration of Natural Resources. The invited speaker is presented with a Gold Medal.

ELECTROTEK & GEOMETRICS ENDOWMENT LECTURE

IGU instituted in 2007 Electrotek – Geometrics Endowment Lecture award utilising the grant provided by the two organizations: M/s Electrotek and M/s Geometrics. The Indian Geophysical Union invites every year an eminent earth scientist (exploration geophysicist) to the annual convention to deliver a special lecture on a topic of current scientific interest. The invited speaker is presented with a Gold Medal.

ONGC-IGU BEST POSTERS AWARDS

To inculcate scientific temperament and encourage interest in quality scientific research, students and young researchers are presented ONGC-IGU best poster presentation cash awards. These awards were instituted in 2009.

IGU-HARI NARAIN LIFETIME ACHIEVEMENT AWARD IN GEOSCIENCES

IGU-Hari Narain Life Time Achievement Award was instituted in 2011; in memory of Dr. Hari Narain (Former President of IGU and Former Director of NGRI). The award is presented to an eminent senior scientist who has contributed significantly to quality scientific research in geosciences.

PROF JAGDEO SINGH & DR. S. BALAKRISHNA MEMORIAL GRANT

Discontinuation of Dr.S.Balakrishna Memorial grant from 1998, for want of needed information from UGC/CSIR created a void. Taking into consideration the significant contributions made by Dr. S. Balakrishna, the IGU management, in 2012, with the permission of Prof. H.K. Gupta (the one who was responsible for introducing Prof. Jagdeo Singh Memorial grant), decided to rename Prof Jagdeo Singh Memorial grant as Prof. Jagdeo Singh and Dr. S. Balakrishna Memorial grant. Prof. Jagdeo Singh and Dr. S. Balakrishna Memorial Grant is provided to meritorious students from different universities for participation in the annual conventions. As one of the main objectives of IGU is to encourage student and young researchers participation the grant has been enhanced since 2012.

ANNI TALWANI MEMORIAL PRIZE

IGU has instituted “ANNI TALWANI MEMORIAL PRIZE” starting from the year 2013, using the grant provided by Prof. Manik Talwani, USA. IGU invites nominations from meritorious scientists of age not more than 60 years (both Indian and foreign scientists who have contributed significantly through their studies covering the land and/or offshore parts of India). Only such nominations that are duly forwarded by Fellows and Foreign Fellows of IGU or Heads of the institutes (where the applicants are carrying out the scientific studies) are eligible for selection .

PROF. DEVENDRA LAL BEST PAPER AWARD

Indian Geophysical Union has instituted “Prof. Devendra Lal Best Paper Award” from 2013. The best paper will be selected for any year from publications (for that year) of Journal of Indian Geophysical Union.
